

MEMORANDUM

Date: June 3, 2011

To: Port of Anacortes Marine and Facility Customers

From: John Hachey, Director - Operations

Subject: Tariff Changes Effective July 3, 2011

The Port of Anacortes will publish a new tariff effective July 3, 2011. It will be posted to the Port's website.

The purpose of this memorandum is to outline tariff price increases in advance of the tariff posting to provide as much notice as possible to the community:

- Generally, the Port will increase prices by 3 percent. This includes: Wharfage, Service and Facility (S&F), Dockage, Storage, Equipment charges, and Man-hour rates to reflect changes in the ILWU labor contract.
- Posted truck loading rates are being revised to account for increases in labor and equipment.
- The vessel security fee will not increase.
